COMPANY PROFILE

WE BELIEVE IN QUALITY

www.eurosolarsystem.com

ABOUT US

Established in the year 2011, in Gandhinagar (Gujarat, India), we "Euro Solar System", are involved an extensive range of Roof Top Solar Power Plant. These solar products are manufactured by our skilled professionals using high quality components and advanced technology as per the set industry standard norms.

VALUES

Inter Integrity, Respect, Commitment, Safety, Professional, Customer satisfaction, Employee Centric.

VISION

Enable free and plenty electrical power to each and every person

MISSION

We intend to provide electrical services with utmost quality & safety in an environment friendly and cost effective manner.

COMPANY PROFILE

Established in the year 2011 having Registered office at Rakanpur, District Gandhinagar, Gujarat.

OUR TEAM

Due to the support of our trained and experience team of professionals, we are involved in providing a wide range of Roof Top Solar Power Plant subsidized, Solar PV Panel and Solar Photovoltaic Inverter. In our team, we have a technicians, procurement agents, skilled professionals, quality controllers, warehousing personnel and sales & marketing executives. Our team of professional holds rich experience and knowledge in the domain, which helps us in meeting the varied demands of the clients.

CORE COMPETENCIES

- ✓ Planning & development of complete turn-key solar power plants.
- ✓ Research, assessment & acquisition of the necessary land resources.
- ✓ Evaluation, assessment & purchase of appropriate PV systems.
- ✓ Management & super vision of the entire plant construction work.
- ✓ Management & maintenance of the solar power plant installation.
- ✓ Relationship to the local authorities and electricity supplier.
- ✓ Engage in the field of Renewable Energy (Solar PV Power Projects)
- ✓ Provide complete end to end Energy Solution right from Design, Detailed Engineering, Installation & Commissioning and Operation & Maintenance of Power Plant.
- ✓ Liasoning with Local Power Distribution Company for Net Metering.
